Friday, 1 June
08:00 - 08:15
Welcome and Introductions

Welcome and Introduction
Stefan De Hert (Gent, Belgium)
Beverly Philip (Boston, United States)
Johannes Wacker (Zürich, Switzerland)

08:15 - 09:00
Safer healthcare: strategies for the real world

Chair:
Johannes Wacker (Zürich, Switzerland)
Speaker:
Charles Vincent (Oxford, United Kingdom)

09:00 - 10:00
How to Maximise Learning from Errors and Adverse Events

Chair:
Adrian Gelb (San Francisco, United States)

Diagnostic Error and Decision Making – or: The Downside of Having a Brain
Sven E. A. Staender (Mannedorf, Switzerland)

Patient Safety Learning through Incident Analysis
Daniel Arnal* (Alcorcon, Spain)

10:00 - 10:30
Coffee Break

10:30 - 12:00
Learning from Success - the Principles and Practice of “Safety II”

Chair:
Doris Østergaard (Herlev, Denmark)

Resilience and “Safety-II” – how to Translate Innovative Concepts into Clinical Action
Sven E. A. Staender (Mannedorf, Switzerland)

The Benefits of Learning from Success for Clinical and Simulation-based Training
Peter Dieckmann (Herlev, Denmark)
B1B
Workshop
Friday, 1 June
10:30 - 12:00
Interactive Workshop: The Basic Tools of Patient Safety Practice
Room 6
Chair:
Daniel Arnal (Alcorcon, Spain)
A Primer on Errors, their Root-causes, and the Basic Practices for Systematic Safety Improvement
Marcus Rall* (Reutlingen, Germany)

B1C
Breakout Session
Friday, 1 June
10:30 - 12:00
Strategies to Meet Global Quality Challenges in Anaesthesia & Perioperative Care
Room 7
Chair:
Keith Ruskin (Chicago, United States)
WFSA International Standards for Safe Anaesthesia Practice – what are the Core Messages?
Adrian Gelb (San Francisco, United States)
WFSA Work Force Survey – the Professional Manpower needed to Provide Safe Anaesthesia Care
Jannicke Mellin-Olsen (Haslum, Norway)
Different Provider Collaboration Models in Anaesthesia - Chances & Challenges for Quality of Care
Beverly Philip (Boston, United States)

Break
Friday, 1 June
12:00 - 13:00
Lunch
Auditorium Foyer

P2
Panel
Friday, 1 June
13:00 - 14:00
Secrets of Implementing Quality Projects Successfully
A12
Chair:
Jannicke Mellin-Olsen (Haslum, Norway)
How to Create a Safety and Quality Culture in an Anaesthesia Department
Sigurd Fasting (Trondheim, Norway)
How to Implement and Sustain Medication Safety Strategies in your Department
Mark A. Warner (Rochester, United States)

Break
Friday, 1 June
14:00 - 14:15
Break
B2A Breakout Session  
Friday, 1 June  
14:15 - 15:45

**How can Professional Societies Contribute to Local Practice Improvement?**

**Chair:**
Adrian Gelb (San Francisco, United States)

- How can we best Support our Patient's Brain Health in Anaesthesia and Perioperative Practice?  
  Audree Bendo (Brooklyn, United States)
- The Helsinki Declaration on Patient Safety in Anaesthesiology (HD) – Vision and Principles  
  Jannicke Mellin-Olsen (Haslum, Norway)
- How to Implement the Requirements of the HD – Challenges and Practice Solutions  
  Johannes Wacker (Zürich, Switzerland)

B2B Breakout Session  
Friday, 1 June  
14:15 - 15:45

**How to Implement, Monitor and Maintain Checklist Use in your Department**

**Chair:**
Mark A. Warner (Rochester, United States)

- How does the Surgical Safety Checklist actually work? Implications for Clinical Practice  
  Cornelis Kalkman (Utrecht, Netherlands)
- Checklist Adherence – the Real World Usage of a Well-intentioned Tool  
  Christopher Neuhaus (Heidelberg, Germany)
- Practice Strategies for the Sustained Implementation of Clinical Checklists  
  Anna Clebone (Chicago, United States)

B2C Breakout Session  
Friday, 1 June  
14:15 - 15:45

**The Principles and Practice of Simulation-based safety training**

**Chair:**
Daniel Arnal (Alcorcon, Spain)

- Using simulation for training and maintaining safe use of perioperative equipment  
  Jan Hendrickx* (Aalst, Belgium)
- Can simulation-based safety training improve patient outcomes?  
  Richard D. Urman (Boston, USA)
- How to use in-situ and low-cost simulation-to improve perioperative patient safety  
  Doris Østergaard (Herlev, Denmark)

Break  
Friday, 1 June  
15:45 - 16:15

**Coffee Break**
