

ESA Trainees Committee and the ESA Trainee Network: Update 17

Dear colleagues,

We hope this update 17 finds you well. This document is an update on the relevant information since May 2020. The ESA Trainees Committee (ESATC) pretends to send an update each 2 months.

1. Euroanaesthesia 2020

As you probably already know, Euroanaesthesia will be virtually on November 28-30th 2020. Registration for Euroanaesthesia 2020 opens September 1st, 2020! Save the date as early bird rates apply until September 30th, 2020. Visit the website for more information:

https://euroanaesthesia2020.org/?utm_source=ESA%20E-Communications&utm_campaign=871c2ceafd-EMAIL_CAMPAIGN_2020_07_09_07_33&utm_medium=email&utm_term=0_08281cf11d-871c2ceafd-73213637

The ESATC is currently developing the Euroanaesthesia 2020 Trainees' Programme and more news will be shared with you in the upcoming months. In the meanwhile, follow the updates on the ESA website and ESATC social networks.

2. ESA will be ESAIC

As of October 1st the European Society of Anaesthesiology will officially become the European Society of Anaesthesiology and Intensive Care (ESAIC). This means that websites, social media names, logo's and the layout of this update will change. More information about the future changes will follow.

3. Reminder: NTR and Trainee Sections updated information

We already received quite a few inquiries concerning the trainee representatives from each country. We would like to present this information on our website. Please send a photo and short description of you (hospital you are working in, year of training, etc.) to our e-mail address.

Additionally, please send us any new or updated information of your Trainee Section (website, social networks, email, logo and official name). This up-to-date information is will be on the current and new website, so it is visible for everyone.

4. Young Teaching Recognition Award

The National Anaesthesiologists Societies Committee (NASC) and the Education and Training Committee are calling for applications for the Young Teaching Recognition Award.

The purpose of this award is to acknowledge and encourage individuals with outstanding and innovative teaching skills who will have an impact on the dissemination of knowledge and competencies. Applications **before the 31st of July, 2020**. More information can be found on the website of Euroanesthesia.

5. EDAIC survey

Can the ESA make something for you? Like...for example, can it make the preparation for EDAIC easier? If so, let us know! We are interested in your opinion on the preparation for

EDAIC. Please complete the questionnaire: <http://ow.ly/Nju050As9Ac> Notice, the **deadline is July 31st**.

6. Expansion of Trainee Representatives to 11 ESA Committees

We are very proud to be represented in 11 ESA Committees. The following persons join the following committees:

Committee	ESA trainee member
ATAIC-HVTAP Committee	Albert de Bettignies
Communication Committee	Christopher Blacker
Education Committee	Olivier Duranteau
eLearning Committee	Tamara Skriskova
Gender Equity Committee	Elena Gjorchevska
Guidelines Committee	Nadine van Veenendaal
NASC Committee	Bernardo Matias
Patient Safety Quality Committee	Dora Karmelic
Scientific Committee	Eva Klabusayova
Simulation Committee	Anne Blank
Sustainability Committee	Andrew Grech

The involvement of residents in all ESA bodies is important, so we are very glad with the current number. Keep up the good work!

7. Next NTR Online Meeting

On June 18th we had our last NTR-meeting, which was very productive. Thank you for being present. The next NTR-meeting will be scheduled for September/October.

As always, we are here to serve your interests, so your feedback is of utmost importance for us. If you have any points to address, do not hesitate to contact us and send us an e-mail or text message.

For those of you that haven't yet done it, please join our official "ESA NTR" WhatsApp group, for more informal communication: <https://chat.whatsapp.com/KIAhZ1zADT5EOXlwIGjxb>.

For now, keep up the good work, stay safe and healthy!

Best wishes,

Bernardo Matias - Chair of the ESA Trainees Committee
 Nadine van Veenendaal and Albert de Bettignies - ESA Trainees Committee/European and International Trainee Sections task force coordinators
